The JS Bach Recital Hall

Weather's Music, Salem, OR 97302

Welcome to our evening of music! You are an integral part of the learning process this evening. Tonight we have a wide variety of students performing for you. Each of these students is a work in progress. Some are standing before an audience for the first time; some are seasoned performers. Some have had six voice lessons; some have been studying for six years. Tonight is a snapshot (or a video if you are so equipped) of their current work. Hopefully, you will also be able to see these students perform at future recitals and continue to celebrate their growth with them. Thanks for being here to support and encourage these students. Tonight's recital is key in their learning process. We're glad you're here.
