

# Christmas Recital 2008

David Hastings Studios

Monday, December 15

Welcome to our evening of music! We are glad you have joined us. As our audience, you are now part of our learning process. Tonight we have a wide variety of students performing for your enjoyment and their education. Some students are performing finished products. Some are preparing pieces for adjudication in March, and tonight is a milestone in their journey of preparation. Some have had six voice lessons. Some have studied six years. Tonight is a snapshot (or a video, if you came prepared) of their current work. Thank you for your support and encouragement of these students in their musical and artistic efforts.
