Tuesday, November 17, 2009

Welcome to our evening of music! We are glad you have joined us. As our audience, you are now part of our learning process. Tonight we have a wide variety of students performing for your enjoyment and their education. Some students are performing finished products. Some have had six voice lessons. Some have studied six years. Tonight is a snapshot (or a video, if you came prepared) of their current work. Thank you for your support and encouragement of these students in their musical and artistic efforts. We hope you enjoy these students as they share the fruits of their labors.
